Clean for Health.

A multi-purpose, neutral pH, germicidal detergent and deodorant effective in hard water up to 400 ppm (calculated as CaCO₃). In the presence of a moderate amount of soil (5% organic serum) according to the AOAC Use-dilution test. Disinfects, cleans and deodorizes in one labor-saving step.

Recommended for use in hospitals, nursing homes, schools, colleges, commercial and industrial institutions, office buildings, veterinary clinics, and animal life science laboratories, zoos, pet shops, airports, kennels, hotels, motels, breeding establishments, grooming

establishments and households.

Disinfects, cleans, and deodorizes the following hard, nonporous, laminate surfaces: Floors, walls, (non-medical) metal surfaces, (non-medical) stainless steel surfaces, glazed porcelain, plastic surfaces (such as polypropylene, polystyrene, etc.).

KILLS HIV-1 (Aids Virus) and HBV (Hepatitis B Virus) and HCV (Hepatitis C Virus) on pre-cleaned, environmental surfaces objects previously soiled with blood and/or bodily fluids in health care settings or other settings in which there is an expected likelihood of soiling of inanimate surfaces or objects with blood / body fluids, and in which the surfaces / objects likely to

be soiled with blood / body fluids can be associated with the potential of transmission of Human Immunodeficiency Virus Type 1 (HIV-1) (associated with AIDS) or Hepatitis B Virus (HBV) or Hepatitis C Virus (HCV).

SPECIAL INSTRUCTIONS for cleaning and decontamination against HIV-1 (AIDS VIRUS) OR HBV OR HCV of surfaces | objects soiled with blood | body fluids:
Personal Protection: Disposable gloves, gowns, face masks or eye coverings' as appropriate. Must be worn during all cleaning of blood / body fluids and during decontamination procedures. Cleaning Procedures: Blood / body fluids must be thoroughly cleaned from surfaces / objects before application of disinfectant.

TECHNICAL DATA:

Color:	Blue	Solubility:	Complete with water	Storage/Stability:	2 years
Odor:	Fresh Floral	Dilution:	2 oz. / gal. (1:64)	Weight per gallon:	8.25 lbs. / gal.
pH:	7.2 - 8.2	Detergency:	Excellent	Freeze/Thaw Stability:	Keep from freezing
Base:	Quaternary ammonium chloride	Rinsability::	Excellent		
Viscosity:	Water thin	Flash Point:	None (waterbased)		
Foam:	Moderate	Hard Water Tolerance:	400 ppm		
Abrasives::	None	Biodegradability:	Complete		

CLEAN FOR HEALTH.

We help customers create clean, healthy, safe and attractive environments with products that conserve resources and protect the environment.

We help customers protect people in their care, improve indoor air quality & reduce VOCs, and as a result, you will help prevent growing incidences of asthma, allergic reactions and chemical sensitivities.

We can help customers increase operator and employee productivity. Thorough and effective cleaning reduces bacteria, viruses and other causes of illness, ultimately reducing absenteeism.

We can help you create a competitive advantage. If you are a building service contractor, differentiate yourself from the competition by offering complete cleaning programs and educating customers on the benefits of cleaning for health. If you are a facility owner, potential tenants will respond to the investment you've made in their health and safety by providing a safer cleaning environment.

Product Name: Blue Fields
Generic Name: Neutral Disinfectant & Detergent
Chemical family: Quaternary Detergent Blend
Formula: Proprietary

Supplier's Name: Contract Cleaners Supply
Supplier's Address:
15 Portland Road,
West Conshohocken, PA 19428
Suppliers Phone #: 1-800-887-2500

Directions For Use:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product is not for use on medical device surfaces.

DISINFECTION | CLEANING / DEODORIZING DIRECTIONS: Remove heavy soil deposits from surface, then thoroughly wet surface with a use-solution of 2 ounces of the concentrate with a gallon of water. The use-solution can be applied with a cloth, mop, sponge, or coarse spray or by soaking. For sprayer applications, use a coarse spray device. Spray 6-8 inches from the surface, rub with a brush, cloth or sponge. Do not breathe spray. Let solution remain on surface for a minimum of 10 minutes. Rinse or allow 10 air dry. Rinsing of floors is not necessary unless they are to be waxed or polished. Food contact surfaces must be thoroughly rinsed with potable water. This product must not be used to clean the following food contact surfaces: utensils, glassware and dishes.

BACTERICIDAL STABILITY OF USE-DILUTION: Tests confirm that this product when diluted in 400 ppm hard water, remains effective against *Pseudomonas aeruginosa*, *Staphylococcus aureus* and *Salmonella choleraesuis* for up to 3 months when stored in a sealed container such as a spray bottle. If product becomes visibly dirty or contaminated, the use-dilution must be discarded and fresh product prepared. Always use clean properly labeled containers when diluting this product. Bactericidal stability of the use-dilution does not apply to open containers~ such as buckets or pails.

TOILET BOWLS: Swab bowl with brush to remove heavy soil prior to cleaning or disinfecting. Clean by applying diluted solution around the bowl and up under the rim. Stubborn stains may require brushing. To disinfect, first pre-clean to remove heavy soil, then remove or expel the inner trap the residual bowl water. Pour in three ounces of the diluted solution. Swab the bowl completely using a scrub brush or mop, making sure to get under rim. Let stand for 10 minutes or overnight then flush.

FUNGICIDAL DIRECTIONS: For use in areas such as locker rooms, dressing rooms, shower and bath areas and exercise facilities follow disinfection directions.

MILDEW STATIC INSTRUCTIONS: Will effectively control the growth of mold and mildew, plus the odors caused by them when applied to hard, nonporous surfaces such as walls, floors and table tops. Apply use-solution of 2 ounces per gallon of water with a cloth, mop, sponge or coarse spray. Make sure to wet all surfaces completely. Let air dry. Repeat application weekly or when growth reappears.

CONTRACT CLEANERS SUPPLY *CLEAN FOR HEALTH.*

Contract Cleaners Supply, Inc. is a leading distributor of janitorial, cleaning, and chemical supplies and equipment company. As a certified women owned business since 1975, we specialize in hard to find products and also carry a complete line of green solution, environmentally preferred products.
